Institute of Cyber Security Zimbabwe

MEMBERSHIP BROCHURE

ABOUT US

The Institute of Cyber Security Zimbabwe (ICSZ) provides information, analysis, education and research in information security and data protection, for organisations and enterprises around the world. The aim of the Institute of Cyber Security Zimbabwe is to contribute towards increased awareness about the risks associated with cyber security while helping organisations develop the most resilient information security culture possible.

The Institute of Cyber Security Zimbabwe is backed by cybersecurity professionals, who have the ability and experience to create customized training solutions, data security solutions and data protection . Our team of professionals has consistently demonstrated experience, quality in security solutions and training.All of our experts have extensive real-world experience in various technologies

MEMBERSHIP

As a ICSZ member, you'll have access to a vast collection of knowledge and career resources, local and global communities, opportunities to grow and give back to the profession, plus discounts, rewards and perks.

Membership is a powerful opportunity. It's a chance to advocate on your own behalf and alter the compliance landscape impacting your organization. If you can't afford to spend your time on redundant compliance activities and want to help shape the future of cybersecurity, membership is exactly what you need.
